7th June, 2026

To,
Principal,
Manarat International School,
Gulshan, Dhaka

Application for the Post of Mathematics Teacher.

Dear Sir,

You would request you to draw your attention to my enclosed CV that I, my teaching experience along with educational background, teacher's training, publishing books and creating online teaching materials make me an ideal candidate as a Teaching devoted person.

Having 15 years plus teaching practice and, I believe, to give a remarkable attainment to my Organization, I have to continue learning more and more. I have confident that, if provided the opportunity, I will prove myself to be an important asset of your School through my innovative and creative teaching strategies.

I would request for an interview at your convenience. For any query, you can reach me at mobile +880 1719 98 80 33. You can also email me at mrahimbd@gmail.com.

Thanking you and waiting for your reply.

Sincerely,

Md. Rahimuddin.

Founder and Senior Mathematics & Computer Science Teacher, Eduora - Online Coach | <https://eduora2i.com>
Board of Examination | Cambridge, Edexcel, IB

Enclosed herewith :

- Curriculum Vitae and Photograph.
- Academic Certificates and Teacher's Training certificates
- Experience Certificates and Recommendation Letters

Career Objective

- To be a successful mentor to inspire more than **One Hundred Thousand** (100,000+) aspiring students worldwide.
- To Publish Books and Video Tutorials to enlighten students worldwide thus contributing in the IGCSE/O Level and A level teaching industry and represent our country to the world.

Education

B.Sc. (Hons) in Computer Science from National University – Bangladesh, 2009.

Higher Secorder Certificate in Science from Kabi Nazrul Govt: College, Dhaka Board, 2005.

Secondary School Certificate in Science from Nabokumar Institution, Dhaka Board, 2001.

Teaching Methodology

Students love the way I teach when I not focus only the fundamental concepts and formula demonstration but also discuss the ideas how questions are made and the steps to involved to test their IQs, common sense and the chapter wise knowledge.

- Teaching through Demonstration, Quizzes, Workshop, Seminars and Day Long Marathon class.
- Preparing Lesson Plan, class Lesson Materials and Activities.
- Providing Topical Notes for and Work Sheets.
- More than **500 hours** of live classes recording in **Google Drive** to encourage students for self-study and revision.
- Making students to get well prepared to achieve **100 out of 100** and **A/A***.

Books Publication

1. **Think Like a Math Examiner** – to be published soon.
2. **Topical A Level Mathematics** - Cambridge A level (Available in market since 2025).
3. **Topical Additional Mathematics** - Cambridge IGCSE & O level (Available in market since 2025).
4. **Topical Mathematics D** - Cambridge IGCSE & O level (Available in market since 2012).
